This seminar's curriculum and format is provided by USDF. Topics include music, choreography and judging. It provides a detailed judging criteria and is methodically helpful for judges, riders, and trainers to know how final scores are obtained. Joan Darnell is an excellent speaker and presents the material from a judge's point of view.

This Continuing Education in Freestyle Judging Program has been approved as a component for the Freestyle Designation for USEF Dressage Judges. Licensed Judges who attend this program as participants will be eligible to take an on line exam administered by USEF. Those who pass will be awarded the Freestyle Designation.
